Dear Parent/Carer

English Language Classes for Parents/Carers

We are pleased to be able to offer English Language classes for parents/carers at Cardiff High School and are happy to invite parents from our cluster primaries from September 2019. The classes will operate on an informal and supportive basis and will be run by our specialist teacher for English as an additional language, Ms Fraczowska. Our aim is to support parents/carers who may wish to develop their conversational English and to help their children by being more involved in their education.

The sessions will be held at Cardiff High School and if you are interested, please email Ms Fraczowska at ef@cardiffhigh.co.uk stating your availability (days and exact times that are most convenient to you). We will be trying to accommodate all levels of English.

Yours faithfully

Ms E Fraczowska
EAL Lead Teacher
